

SBCT70

**Climate unit
f.e. for EDAK MILEX ,
ZARGES cases
containing 19" rack systems**

Measures w*d*h 500 * 440 * 630
in mm
Weight > 29 kg (as per compressor)
Power supply 240 V, 50 Hz/60 Hz

Illustrations in similar configuration
Case not included

Environment air -32° C to 55° C
System is air cooled
Cooling -10°C - +55°C
Heating -32°C - + 10°C
Produced cold air 20-30° C
Refrigerant R134a
Cooling capacity 2.500 W to 3.500 W
Principle Direct evaporation
Heating 760 W to 2390 W
Condensate pump optional
Application range Mobile, with EDAK cases and similars
Intended climate Desert, tropics, optionally maritime
Lacquered/coated Per MIL-Standard, per customers specification or plain
Models available Order-Nr: Cooling cap.:
BCT6333 3.5 kW
